

We hope you enjoy taking part in our walking treasure hunt. All donations received for the hunt are topped up by an amazing 50% thanks to the Hunter Foundation, and will be used to provide support for older people living in the local area.

The route starts and finishes at Allure hair salon, and takes you up the High Street, round Kinnear Square, and back down the opposite side of the High Street. All 27 clues are visible from the pavements; please be respectful of private residences.

To help ensure physical distancing is maintained, and so everyone can take part on a day that suits them, or to split the walking over a day or two, the walking treasure hunt will be open from 23rd April until 3rd May. All answer sheets must be returned to the office by 4th May, and the winner of the £25 Gannets voucher will be drawn and then announced on Friday 7th May.

Mearns and Coastal Healthy Living Network is a Laurencekirk-based charity that supports the wellbeing of older people around Kincardine & Mearns. We provide practical services such as transport and shopping, done by our volunteers. We also run (under normal circumstances) sociable groups and activities for people aged 50+, including gardening and walking. Our Past Times group and Mearns memory café support people with cognitive impairment and their families. Over the past year we have added a friendly phone call telephone service to alleviate feelings of loneliness, and launched a physical newsletter.
